SOCIETY OF WOMEN MUSICIANS.

PRIVATE EVENING CONCERT.

It has been found impossible to arrange for the proposed Private Evening Concert in June; but it is hoped that the suggested programme of Members' works may be performed on July 19th, at the Second Anniversary Meeting.

BACH CONCERTS.

Attention is very specially drawn to the enclosed notice of the BACH CONCERTS, in which the Society is co-operating with Dr. R. R. TERRY.

The Council hope that Members will help to make the scheme known, and that they will do their utmost to be present on TUESDAY EVENING, JUNE 24th, to support Dr. TERRY and their fellow-members in the very attractive programme provided.

June, 1913.
